

Baby Bottle Boomerang Podium Kick-Off Announcement:

Hi, my name is _____, and I'm excited to share that we're partnering with A Hope Center through a Baby Bottle Campaign!

For over 40 years, A Hope Center has been a beacon of hope for women and families facing unplanned pregnancies, offering compassionate care, practical resources, and the truth that every life matters.

In 2024 alone, A Hope Center served over **1,200 clients** and has already seen an increase of 27% more clients so far in 2025. With two locations in Fort Wayne and the only pregnancy resource center in Whitley County (located in Columbia City), they are reaching more women than ever before.

Through strong community partnerships, A Hope Center empowers women with the support and resources they need to build healthy, hope-filled futures.

Let's come together to support this life-saving ministry. Your involvement can help save babies and transform lives—right here in our community.

After the service, please pick up a bottle from _____ (location of distribution table).

Fill up the bottle with a check, cash, or coins. Please return your bottle to _____ (location of collection) by (end date). Thank you!"
