- **Week 1 Announcement — Kicking Off the Baby Bottle Campaign!**

Today marks the start of our Baby Bottle Campaign for A Hope Center—a life-affirming, Christ-centered ministry offering free support to women and families facing unplanned pregnancies. This is a simple but powerful way to make a difference!

On your way out today, pick up a baby bottle and fill it with coins, cash, or checks (made payable to A Hope Center). Every gift helps provide hope, support, and life-saving care. Want to give online? Visit ahcfriends.org. Bottles are due back by [end date].

- **Week 2 Announcement — Keep Filling Those Bottles!**

Have you started filling your baby bottle? Every coin, dollar, and check (payable to A Hope Center) adds up to make a big difference for moms, babies, and families in our community. Please remember to return your filled bottles to church by [end date] so we can bless A Hope Center with our collective support. If you'd prefer to donate online, visit ahcfriends.org.

- **Week 3 Announcement — Final Collection Day!**

Today is the final day of our Baby Bottle Campaign for A Hope Center! If you remembered your bottle—thank you! If not, no worries—you can still bring it next Sunday or drop it off at the church office this week.

Every bottle counts and helps change lives through the compassionate work of A Hope Center. Thank you for being a part of this mission!

- **Week 4 Announcement — Last Call for Bottles!**

Thank you for standing with A Hope Center and supporting life through our Baby Bottle Campaign! If you still have a bottle at home, please return it—filled or not—so it can be counted or reused next year.

Your generosity is already at work helping women and families right here in Allen and Whitley Counties. Drop off your bottle at church or bring it by the office this week. God bless you for giving hope!
